EXPERIENCE

IT & Cybersecurity Sales Specialist — *iTEAM Systems FZE, Dubai, 05/2026 – Present*

● Manage **B2B customer accounts and client relationships** across IT, cybersecurity, infrastructure, hardware, and software solutions in the UAE.

● Maintain existing customer relationships and manage **renewal opportunities, recurring revenue, upselling, and cross-selling**.

● Handle **customer requirements, account follow-ups, and commercial coordination** to support long-term customer relationships.

● Coordinate with **technical teams, distributors, and technology partners** to address customer needs and prepare technical and commercial proposals.

● Manage **RFQs, tenders, RFPs, quotations, and commercial documentation**, including government and enterprise customer requirements.

● Maintain regular customer communication and ensure timely responses, quotations, and follow-ups.

● Build relationships with **IT Managers, CIOs, CISOs, procurement teams, and business stakeholders**.

● Support customers with **cybersecurity solutions**, including endpoint security, EDR/MDR, email security, VAPT, firewall, and network security.

● Coordinate sales of **IT infrastructure, servers, storage, networking, Microsoft 365, cloud, and software solutions**.

● Understand customer requirements and coordinate suitable technology solutions with internal teams and distribution partners.

● Support **inside sales and new business development** through lead qualification, requirement gathering, quotations, negotiations, and follow-ups.

● Maintain accurate **CRM records, customer activities, sales pipeline, and forecasts** using CRM, LinkedIn Sales Navigator, Apollo, and other sales platforms.

● Work towards a monthly sales target of **AED 50,000**, through renewal business and new business development, where applicable.

Business Development Executive ***Linz Technologies, Chennai, 05/2024 – 04/2026***
